Board Game Policy

The Lied Public Library, at its discretion, will make board games available for circulation. Borrowers must have a valid library card from the Lied Public Library.

Borrowers may borrow one board game at a time. The lending period is seven (7) days. Holds and renewals are permitted. Board games must be returned directly to a Lied Public Library staff member at the front desk. Board games may not be returned to other libraries or returned in the book drop.

The board game is not considered returned until all items within the box/case have been returned to the library in working condition. If any pieces are missing upon return, the library may check the item back out to the patron until all pieces are returned. Item components not returned in original working condition will be assessed a fee along with any late fees.

Please report any damage or missing parts immediately to Library staff.
