

Reading Buddies

Summer Library Program

Programs are Tuesdays at 10:30 am.
Starting June 13th!

Reading Buddies is for children
3– 6 years of age
and young adults 6th grade and older.

Sounds From The Farm (June 12th)

Debbie Swanson from Iowa State University Extension is bringing the farm to us! Visiting a farm can be both educational and entertaining. You'll hear many noises on the farm and see a lot of different animals. It is also a great place to learn about farm equipment and how to stay safe on a farm.

Swan Master Magician (June 19th)

Magic tricks galore! If you love magic and want to be amazed you won't want to miss this amazing magic show by Master Magician Robert Swan.

Clarinda Police (June 26th)

Hear the sirens? Who is here to help? Who is fast? Officer Reed and his K-9 Raiko! Come meet Officer Reed and his K-9 Raiko and learn about all the things they do when people need help.

The Dance Studio (July 3rd)

Come enjoy dancing with Joy Tunncliff from *The Dance Studio*. Children are fascinated by music from birth. One of the first musical concepts a child learns is rhythm, which is essential to language and literacy, as well as balance and coordination. So let's have some fun and dance!

The Sound of Music (July 10th)

Music is a natural part of a young person's life. Research has found that exposure to music from early childhood helps children speak more clearly, develop a larger vocabulary, and strengthen social and emotional skills. A group of students from the Clarinda High School will be coming to have some fun with music.

Head Start (July 17th)

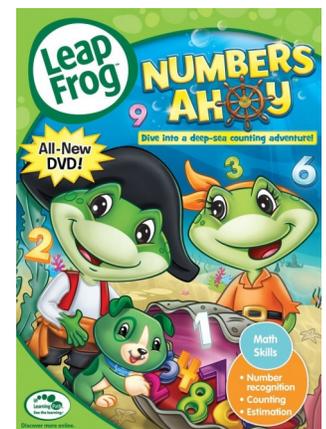

Let's have some fun with Robina Courtney from Head Start celebrating our Libraries Rock theme. Enjoying music and songs makes even the youngest children smile! Even more than rhymes, songs help children hear the small sounds in words because each syllable in a song has its own note.

Movie Day—LeapFrog : Numbers Ahoy! (July 24th)

Navigate number skills on a pirate adventure with Tad, Lily, and Scout! Tad and Lily need a little number sense to help them get through a complicated game, so their magical firefly friend, Edison, takes them on a fantastical journey under the sea! When their cute puppy pal, Scout, is mistakenly captured by a pirate, they must use their new understanding of numbers, counting, and estimation to rescue him.

Rated : Not Rated / Length : 35 minutes
