### Effective 2-19-21

- **Mask Are Required when one cannot socially distance.**
- **Meeting Rooms are limited to ½ capacity**
- **We encourage all users to use our Curbside Library to Go Service and our Online Resources**
  - **More information on these services by calling 712-542-2416 or [www.clarindapubliclibrary.org](http://www.clarindapubliclibrary.org)**

Open with the following guidelines:

- Stay home if you are sick.
- **Staff and the public are encouraged to use social distancing when possible, wash your hands, wear face mask and clean and disinfect common spaces and high touched areas.**
- Please try to limit your visits to the library to under 1-hour to allow the library to serve as many people as possible
- Returned materials will be cleaned before being made available on the shelf.
- All children (ages 7 and under) must be accompanied by an adult while in the building.
- Library TO GO curbside/locker pickup will be available. Those especially vulnerable to illness are encouraged to use this service.
- In-person programs will have limited physically distanced seating and focus will be to online programming.
- No in-library activities (puzzles, games, makerspace, etc.) will be available. Games however still be checked out and will be cleaned before being made available on the shelf.

This plan will be re-evaluated often. The library could be directed to close again from a state agency or local public health agency at any time.

Please contact library director Andrew Hoppmann with questions at 542-2416 or [andrew@clarindapubliclibrary.org](mailto:andrew@clarindapubliclibrary.org).
