## **Digital Access Card Policy**

Digital Library Card, which only allows access to the library's digital (online) collection.

To get a digital library card you must complete the application on the library's website. After one year your digital library card will expire and you then must visit the library to renew your card at which time you'll be issued regular library card (proof of identity and address required).

Digital Library Cards will only be issued to patrons living, working or attending school in Page County, Iowa. \*Some databases maybe limited based on your address.

Digital Library Cards holders are expected to comply with all library policies.
