Educator’s/Teacher’s Card Circulation Policy and Loan Periods

Due to increasing demand on the library’s children’s collection the following policies have been issued.

- A limit of 20 items per patron may be checked out at one time.
- A lower limit will be placed on materials dealing with subjects in high demand
- Loan periods will be for 30 days
- Librarians will no longer be available to pull large quantities of materials for users

Reserves

An item will be reserved for patrons, at no charge, if the item is not available when requested. When an item for reserve has been returned to the Library, the requesting borrower will be notified. Notification will be by telephone unless otherwise requested. The borrower then has seven (7) days from the start of the reserve to pick up the item before their reserve will be canceled. Also, if the borrower cannot be contacted during the first three (3) days of the reserve period the reserve will also be canceled. A patron must have a valid Library card in “good standing” before a reserve item can be picked up. ***Interlibrary Loan items are exempt from this policy.
