Inclement Weather and Library Closings:

The library is an essential city service that citizens depend upon. When possible, the library will remain open during inclement weather to provide information services to the public. During weather advisories, library personnel will monitor weather conditions and will close library buildings if weather becomes too severe.

Consider closing the library if:

1. No school
2. Other businesses close
3. Walks are not cleaned and safe

Closing:

1. If the Library is forced to close due to inclement weather, employees scheduled to work will not be paid. Employees must take vacation, personal holiday, compensatory time off, or no pay for the hours missed.

If due to inclement weather, an employee is unable to report to work, reports to work late, or must leave early when the Library is open, that employee must take vacation or compensatory time off for the hours missed. If those are not available, the employee will not be paid for those hours.
